Cy-Fair Educational Foundation Investing in the Future

As a partner with the district, the Cy-Fair Educational Foundation invests in the future by providing scholarship funds for graduating seniors seeking education beyond high school and by funding staff development grants to the district. With your donation, we are able to impact the quality of education the young people currently in our district receive.

Since inception in 1970, CFEF has raised: \$4.0 million for scholarships and \$1.1 for teacher grants.
